### Booth Spaces

Booth spaces (available for an additional fee) are 10 feet wide by 6 feet deep. One 6ft by 30 inch table with a table cloth and skirt as well as two chairs will be provided. The hotel may be able to provide tall cocktail tables and high chairs. If you would like other furniture options, contact Emily Perron at [eperron@naacos.com](mailto:eperron@naacos.com) for a referral to a local furniture rental company.

**AV, Electricity, WIFI**

Audio visual equipment can be rented from PSAV for a fee. Order forms and a price guide can be found at <https://www.naacos.com/sponsorship-exhibits> Electricity is also available through PSAV for a fee. There is no guarantee that your table or booth will be located near an electrical outlet.

Conference attendees will have access to complimentary WIFI for checking email. The amount of bandwidth for this WIFI is not sufficient for streaming videos or demonstrating web-based products in the foyer. We recommend that exhibitors obtain their own WIFI connection for these purposes. WIFI can be rented through the Marriott using the form at the above link.

**Give-away Policy**

Exhibitors may hold raffles and/or give away items. NAACOS does not promote these activities and will not announce the winners.

**NAACOS Raffles**

In order to draw attendees throughout the exhibit space, NAACOS will provide exhibitors with raffle tickets to give to attendees. NAACOS will collect raffle tickets from the exhibitors and hold raffles on Friday at lunch.

**Lead Gen**

Lead generation is provided to all exhibiting business partners through our conference app, Whova. Exhibiting business partner attendees will receive instructions on who to use and access the lead generation one week prior to the start of the conference.

**Attendees and Advance Registration List**

Approximately 650 health care executives from the ACO community will attend the conference. You will receive a registration list 10 days prior to the conference (September 11, 2019). The list includes name, title and affiliation. NAACOS does not share email addresses. You will receive a final list with postal addresses following the conference.

**Exhibitor Directory**

The conference app will include a directory of exhibitors with short descriptions and website addresses. NAACOS uses the description submitted by companies when they complete the Business Partner application. These descriptions appear on our website at <https://www.naacos.com/partners/> in the column titled "Description." If you would like a different description included in the exhibitor directory for the conference, please send a new description (75 words max) to [eperron@naacos.com](mailto:eperron@naacos.com) by September 6.
